Kotiva Meaning

kotivāTM

The name KOTIVA is inspired by the word "quotidian," meaning daily, reflecting the brand's belief that healthy skin is built through consistent everyday care rather than occasional treatments.

By simplifying the spelling into KOTIVA, the name becomes more approachable, memorable, and easy to recognize across global markets while conveying a sense of accessibility and familiarity.

It embodies the brand's mission to make professional, science-backed skincare an effortless part of consumers' daily routines, encouraging healthy skincare habits that deliver lasting results.

Doctor-approved skincare.

Doctor-prescribed and doctor-approved skincare, developed with evidence-based medicine and powered by scientifically proven active ingredients. Every formula is carefully selected to deliver safe, effective, and clinically supported results that address real skin concerns while maintaining the highest standards of quality and skin compatibility.

kotiva™

*"A trusted brand
among healthcare
professionals"*

*Why customers and doctors
should choose KOTIVA.*

kotiva is a brand built on trust, science, and proven performance. customers choose kotiva for its effective formulations that deliver visible results while remaining gentle enough for everyday use. healthcare professionals can recommend kotiva with confidence because its products are formulated according to evidence-based principles, using clinically supported active ingredients that align with modern dermatological practices. by prioritizing safety, quality, and efficacy in every formulation, kotiva offers reliable skincare solutions that meet the expectations of both consumers seeking healthier skin and professionals looking for products they can trust.

About kotivā™

kotiva is a science-backed skincare brand rooted in the power of daily rituals and medical precision. designed for all skin types and concerns, it blends dermatologist- approved formulas with simple, effective routines to support real skin health every single day

kotiva transforms professional skincare into a trusted, personal habit. from gentle cleansers to targeted treatments, each product is formulated with clinically proven ingredients and guided by expert insight.

Whether you're starting your first routine or refining a long-standing ritual, kotiva is your daily dose of expert skincare—made honest, made easy, and made for you.

Rooted in medical authenticity and daily consistency, kotiva combines dermatologist approval with gentle, science-driven formulas. the brand makes expert skincare approachable and essential for every skin type.

Routine
Refined

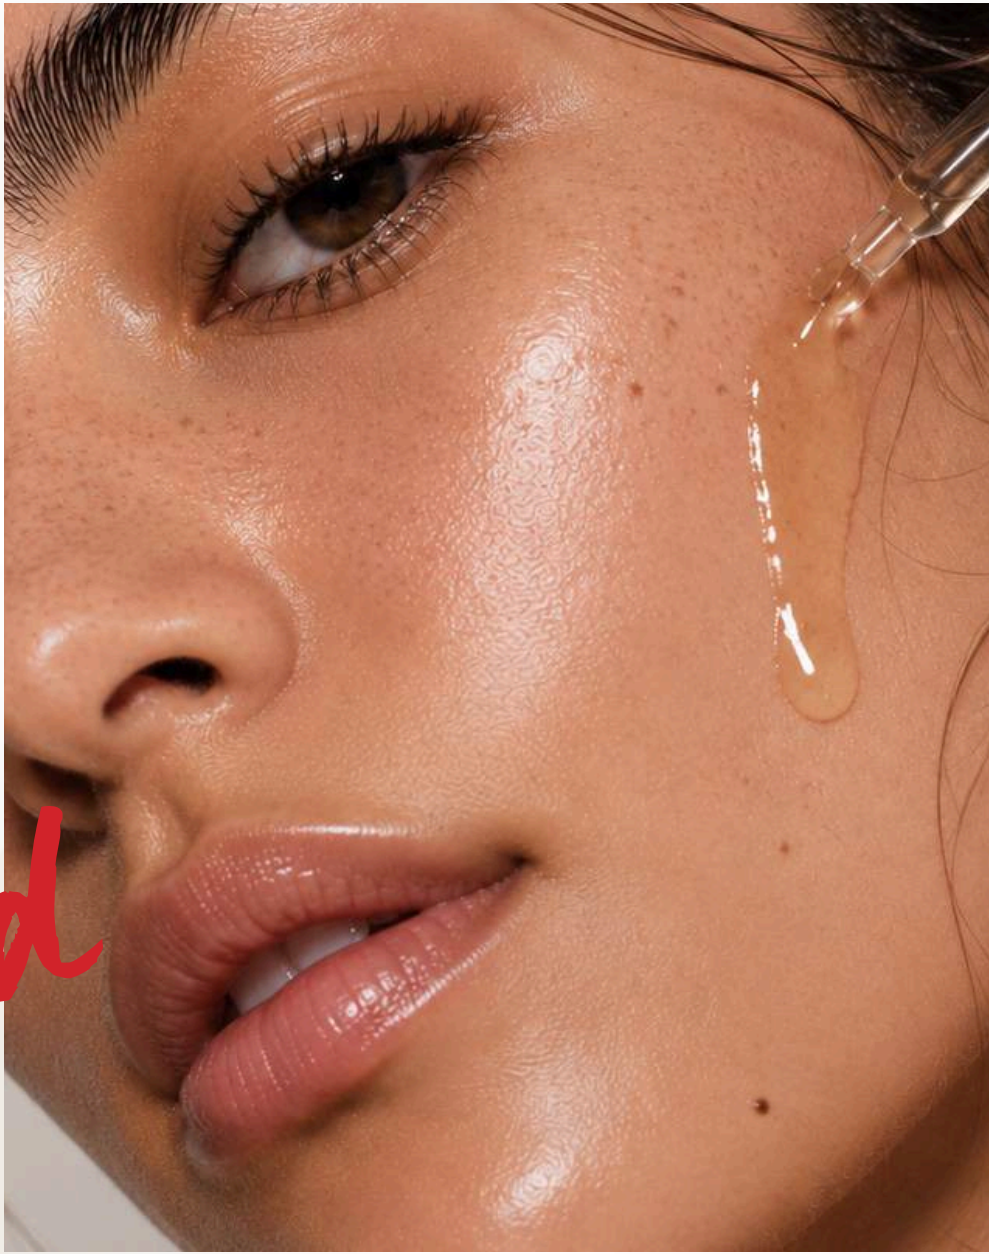

Brand Promise

Dedicated to making expert skincare accessible, consistent, and caring for every skin type, every day.

kotiva bridges the gap between professional dermatological care and everyday skincare by transforming evidence-based science into products that are both effective and accessible. every formula is developed with scientifically proven active ingredients, selected for their safety, efficacy, and ability to address real skin concerns. by combining medical expertise with advanced skincare innovation, kotiva delivers professional-grade solutions that fit seamlessly into consumers' daily routines, making high-quality skincare more attainable without compromising on clinical standards.

Doctor-approved skincare.

What Makes Us Unique

The Kotiva Standard

Vision

KOTIVA is committed to bridging the gap between professional dermatological care and everyday skincare by making clinically inspired, science-backed solutions accessible to everyone. Our vision is to become a trusted part of consumers' daily skincare routines, offering products that seamlessly integrate into their lifestyles while delivering safe, effective, and visible results. By combining evidence-based formulations with proven active ingredients, KOTIVA brings professional-grade skincare within reach, empowering individuals to achieve healthier skin with confidence every day.

Mission

To empower individuals building healthy, radiant skin through science-backed skincare solutions that fit seamlessly into daily routines fostering confidence, education, and healthy skin wellbeing for all skin types.

What We Offer

kotivā offers a comprehensive portfolio of evidence-based skincare solutions developed to address a wide range of skin concerns across all age groups. each product is formulated with scientifically proven active ingredients, carefully selected according to dermatological research to deliver safe, effective, and clinically supported results. our portfolio includes solutions for acne-prone skin, hydration, skin barrier repair, pigmentation, sensitive skin, anti-aging, and daily skin maintenance, ensuring targeted care for every stage of life.

Manufactured in poland using high-quality european raw materials and in compliance with stringent european union manufacturing standards, kotivā combines scientific innovation, medical expertise, and premium quality to deliver professional-grade skincare that healthcare professionals trust and consumers rely on every day.

What we offer
For Face

kotiva micellar water with
• Caviar extract • Hyaluronic acid • Marine collagen

A lightweight micellar formula designed to effectively remove makeup, dirt, and impurities without irritating or drying the skin.

Key Ingredients

-Caviar extract
rich in nutrients and antioxidants that help support skin vitality and a healthier-looking complexion.

-Hyaluronic acid
provides deep hydration by attracting and retaining moisture, leaving skin soft and plump.

-Marine collagen
helps improve skin elasticity and supports a smoother, more supple appearance.

-Suitable for

- All skin types
- Sensitive skin
- Daily cleansing routine
- Pre-skincare preparation

kotiva facial foam for sensitive skin

A gentle, soothing facial foam specifically developed for redness-prone, sensitive skin

Key Ingredients

-Niacinamide
Helps reduce redness, regulate sebum, and improve skin barrier function

-Panthenol (pro-vitamin b5)
Deeply soothes, hydrates, and supports skin repair

-Allantoin
Calms irritation and promotes skin healing

-Potassium azeloyl diglycinate
A multifunctional active that helps reduce redness, control oil, and brighten skin tone

-Arnica extract
Known for its calming properties, helping to reduce skin discomfort

-Aesculus hippocastanum (horse chestnut) extract
Supports microcirculation and helps reduce visible redness

-Arctium lappa (burdock) root extract
Purifies and soothes the skin

-Linum usitatissimum (flaxseed) extract
Provides hydration and helps reinforce the skin barrier

-Glycyrrhiza glabra (licorice) root extract
Helps brighten the skin and reduce inflammation

kotiva acne cleansing gel

A targeted daily cleansing gel designed to deeply purify, control excess oil, and help reduce acne formation without drying the skin.

Key Ingredients

-Niacinamide
Helps regulate sebum production, reduce inflammation, and improve overall skin tone

-Zinc pca
Controls excess oil and supports anti-bacterial activity against acne-causing bacteria

-Allantoin
Soothes and calms irritated skin while promoting skin repair

-Green tea extract
A powerful antioxidant that helps reduce inflammation and protect the skin

-Suitable for

- Oily, combination and acne-prone skin.
- Daily cleansing routine

kotiva hyaluronic facial cleanser

A gently effective facial cleanser developed to remove impurities while maintaining optimal skin hydration

Key Ingredients

-Hyaluronic acid
A highly effective humectant that helps attract and retain moisture, improving skin hydration and plumpness

-Pro-vitamin b5 (panthenol)
Soothes, hydrates, and supports skin barrier repair

-Oryza sativa (rice) extract
Helps enhance skin softness and radiance while improving overall texture

-Camellia sinensis (green tea) leaf extract
Provides antioxidant protection and helps calm and protect the skin

-Hydrolyzed caesalpinia spinosa gum
Form a protective moisture-retention film on the skin, ensuring instant and sustained hydration

-Suitable for

- Oily, combination and acne-prone skin.
- Daily cleansing routine

kotiva glow up water essence toner

A refreshing and hydrating tonic designed for daily care of all skin types, especially dry and dehydrated skin.

Key Ingredients

-Hyaluronic acid

Intensely hydrates by attracting and retaining moisture within the skin

-Niacinamide

Helps improve skin texture, enhance radiance, and support the skin barrier

-Panthenol (pro-vitamin b5)

Soothes, hydrates, and promotes skin repair

-Oryza sativa (rice) extract

Improves skin softness and helps boost natural glow

-Linum usitatissimum (flaxseed) extract

Supports hydration and strengthens the skin barrier

-Camellia sinensis (green tea) leaf extract

Provides antioxidant protection and helps calm the skin

kotiva face and body cleansing foam

A gentle, soothing cleansing foam designed for daily use on both face and body, specifically formulated for dry, sensitive, and atopic skin.

Key Ingredients

-Cannabis sativa seed oil

Rich in essential fatty acids (omega 3 & 6) that help nourish, soothe, and restore the skin barrier

-Glycyrrhiza (licorice) extract

Known for its calming and anti-inflammatory properties, helping to reduce redness and irritation

kotiva oil control foam

A refreshing foaming cleanser developed for daily care of oily, combination, and acne-prone skin.

Key Ingredients

-Allantoin

Helps soothe irritation and support skin repair

-Panthenol (pro-vitamin b5)

Provides hydration and enhances skin barrier function

-Aloe barbadensis leaf juice

Soothes and hydrates the skin while reducing inflammation

-Salvia officinalis (sage) extract

Reduces skin sensitivity to irritants and lightens the appearance of facial hyperpigmentary spots

- Panthenol (10%)

Powerful soothing and repairing active that helps restore skin barrier and relieve irritation
- Shea butter (butyrospermum parkii butter)

deeply nourishes and helps repair dry, sun-exposed skin
- Aloe barbadensis leaf juice

Provides immediate cooling, soothing, and hydration effects
- Arnica extract

Helps calm irritation and supports skin recovery after sun exposure
- Linum usitatissimum (flaxseed) seed oil

Rich in essential fatty acids that help strengthen and repair the skin barrier
- Glycyrrhiza glabra (licorice) root extract

Helps soothe redness and supports skin tone recovery

kotiva triple action whitening night cream

• brightening • repairing • renewing advanced night therapy

An advanced multi-functional night cream formulated to work during the skin's natural regeneration cycle.

- Key Ingredients
- Alpha arbutin

Helps reduce hyperpigmentation and uneven skin tone
- Tranexamic acid

Supports reduction of dark spots and discoloration
- Potassium azeloyl diglycinate

Helps reduce redness, oiliness, and uneven tone
- Glycyrrhiza glabra (licorice) root extract

Brightens and soothes skin
- Boerhavia diffusa root extract

Supports skin clarity and radiance
- Tetrapeptide-30

Helps improve skin tone uniformity and reduce visible pigmentation
- Retinyl palmitate

Supports skin renewal and improves texture and fine lines
- Sodium hyaluronate

Provides deep hydration and plumping effect
- Aloe barbadensis leaf extract

Soothes and calms skin
- Shea butter (butyrospermum parkii butter)

Deep nourishment and barrier repair
- Argania spinosa kernel oil (argan oil)

Rich in fatty acids for skin softness and elasticity
- Tocopherol (vitamin e)

Protects against oxidative stress and supports skin repair

kotiva hydroshield post laser cream

An advanced post-laser and post-procedure skin recovery cream designed to restore, soothe, and strengthen compromised skin.

- Key Ingrediendts
- Ceramide eop, np, ap , cholesterol & phyto-sphingosine

Work synergistically to rebuild the skin's natural protective layer
- Panthenol (pro-vitamin b5)

Soothes and accelerates skin recovery
- Butyrospermum parkii (shea butter)

Deep nourishment and skin protection
- Canola oil

Restore lipids and improve skin softness
- Plantago lanceolata leaf extract

Calms irritation and supports healing
- Centella asiatica root extract

Enhances skin repair and reduces inflammation
- Allantoin

Reduces irritation and supports regeneration
- Glycyrrhiza glabra (licorice) root extract

Helps calm redness and discomfort
- Tocopherol (vitamin e)

Provides antioxidant protection and supports skin healing

kotiva uv balance spf 50+

A high-performance spf 50+ sunblock specifically designed for oily and combination skin, offering very high broad-spectrum protection while maintaining a lightweight, non-greasy finish

Key Ingredients

-Uv filter system

Photostable, broad-spectrum uva/uvb filters

-Salvia officinalis (sage) extract

Helps regulate sebum production and purify oily skin

-Hamamelis virginiana (witch hazel) extract

Helps tighten pores and reduce excess oil appearance

-Urea

Provides lightweight hydration while maintaining skin balance

kotiva acne control

An advanced multi-action acne control formula designed to target breakouts, excess oil, and clogged pores while improving overall skin clarity. this powerful blend combines oil regulation, gentle exfoliation, and anti-inflammatory actives for clearer, smoother-looking skin.

Key Ingredients

-Niacinamide

Helps regulate sebum, reduce inflammation, and improve skin barrier function

-Zinc pca

Controls oil production and supports anti-bacterial activity

-Azelaic acid

Helps reduce acne, redness, and post-inflammatory marks

-Salicylic acid (bha) 2%

Penetrates pores to remove excess oil and prevent clogging

-Mandelic acid (aha) 0.5%

Gentle exfoliation for smoother skin and improved texture

-Salix alba (willow bark) extract

Natural source of salicylic compounds for mild exfoliation

-Eucalyptus globulus oil

Helps purify and refresh acne-prone skin

-Tocopheryl acetate (vitamin e)

Provides antioxidant protection and supports skin healing

kotiva pores off serum

An advanced multi-action pore-refining serum designed to visibly minimize the appearance of enlarged pores, control excess oil, and improve overall skin texture.

Key Ingredients

-Salicylic acid (bha) 1%

Penetrates pores to dissolve excess oil and prevent clogging

-Mandelic acid (aha) 1%

Gentle exfoliation for smoother texture and refined skin

-Azelaic acid 1%

Helps reduce congestion, redness, and post-acne marks

-Niacinamide

Helps regulate sebum, refine pores, and improve skin barrier function

-Glycyrrhiza glabra (licorice)

root extract

Helps brighten and calm irritated skin

-White willow bark extract

Natural source of salicin supporting gentle pore cleansing

kotiva triple action whitening day cream

• Brightening • Protecting • Antioxidant care

An advanced triple-action day cream with spf 50+ designed to provide high sun protection, skin brightening, and antioxidant defense in one formula.

Key Ingredients

-Alpha arbutin

Helps reduce hyperpigmentation and improve skin tone uniformity

-Boerhavia diffusa (punarnava) root extract

Supports skin clarity and helps improve uneven pigmentation

-Vitamin e (tocopherol)

Protects against free radicals and supports skin repair

-Uv filters

Provides high-level spf 50+ protection against uva and uvb rays, helping to prevent sunburn, photoaging, and pigmentation caused by sun exposure.

Siliscar gel

An advanced silicone-based scar care gel designed for daily use to help improve the appearance of both new and old scars. it forms a breathable protective layer over the skin, helping to soften, flatten, and smooth scar tissue while supporting natural skin recovery.

Key Ingredient
-Silicone gel technology
creates a transparent, protective film that helps maintain optimal hydration within the scar tissue, supporting a smoother and more even appearance over time

What we offer
For Body

kotiva anti-perspirant roll on

A gentle anti-perspirant roll-on designed to provide long-lasting odor and sweat control while maintaining optimal skin comfort. enriched with soothing and hydrating actives, it keeps underarm skin feeling fresh, smooth, and protected throughout the day.

Key Ingredients

-Hyaluronic acid

Helps maintain hydration and prevents dryness in delicate underarm skin

-Allantoin

Soothes irritation and supports skin barrier recovery

-Salvia officinalis (sage) extract

Helps regulate perspiration and provides natural deodorizing properties

kotiva whitening anti-perspirant roll on

An advanced whitening and odor-control anti-perspirant roll-on designed to reduce underarm darkening while providing long-lasting freshness and comfort.

key ingredients

-Alpha arbutin

Helps reduce hyperpigmentation and uneven skin tone

-Tranexamic acid

Supports reduction of dark spots and discoloration

-Licorice (glycyrrhiza glabra) root extract

Helps brighten and soothe irritated skin

-Centella asiatica extract

Helps calm irritation and support skin repair

-Aloe barbadensis leaf extract

Provides soothing and hydrating benefits

-Allantoin

Helps reduce irritation and support skin recovery

-Panthenol (pro-vitamin b5)

Deep hydration and barrier support

-Tetrapeptide complex

Helps support skin renewal and helps reduce hyperpigmentation

-Tocopherol (vitamin e)

Provides antioxidant protection against environmental stress

kotiva whitening hand cream

An advanced brightening + protective hand cream designed to improve skin tone while shielding hands from daily uv exposure.

Key Ingredients

-Alpha arbutin

Helps reduce hyperpigmentation and uneven tone

-Glutathione

Powerful antioxidant that supports skin clarity and radiance

-Citrus limon (lemon) fruit extract

helps brighten and refresh skin appearance

-Shea butter (butyrospermum parkii butter)

Deep nourishment and repair

-Prunus amygdalus dulcis (sweet almond) oil

Softens and smooths skin

-Cocos nucifera (coconut) oil

Rich hydration and protection

-Squalane

Lightweight hydration and barrier support

Uv filters

Provides protection against uva/uvb rays, helping prevent sun-induced pigmentation and premature aging of the hands.

kotiva triple action whitening wash gel for sensitive area

• brightening • soothing • hydrating gentle cleansing care for sensitive areas

An advanced triple-action cleansing wash gel designed for daily hygiene of sensitive areas while helping to improve skin tone appearance

key ingredients

-Alpha arbutin

Helps reduce pigmentation and improve skin tone uniformity

-Niacinamide

Helps brighten skin and support barrier function

-Paeonia albiflora root extract

Helps improve skin radiance and calm irritation

-Lactic acid

Enhances skin homeostasis

-Chamomile extract

Helps calm and reduce skin irritation

-Allantoin

Supports skin soothing and repair

-Sodium hyaluronate

Deep hydration and moisture retention

-Sodium pca

Natural moisturizing factor (nmf) component for hydration

-Inositol, glycine, fructose, urea

Skin-conditioning agents that help maintain softness and balance

kotiva younger hand cream

An advanced hand cream designed to restore youthfulness, hydration, and smoothness to dry and aging hands.

Key Ingredients

-Hyaluronic acid

Provides intense hydration and helps plump the skin

-Shea butter (butyrospermum parkii butter) 3%

Deeply nourishes and restores dry, damaged skin

-Avocado oil (persea gratissima oil)

Rich in fatty acids and vitamins that help improve skin softness and elasticity

-Glycyrrhiza glabra (licorice) root extract

Helps soothe skin and improve un-even tone

-Oryza sativa (rice) extract

Supports skin smoothing and enhances natural radiance

-Retinyl palmitate (vitamin a derivative)

Helps support skin renewal and improve the appearance of aging hands

-Tocopheryl acetate (vitamin e)

Provides antioxidant protection against environmental damage

-A blend of essential fatty acids:

This complex helps reinforce the skin barrier, lock in moisture, and restore skin comfort.

kotiva face and body cleansing foam

Smoothen and moisturize the cuticle of damaged hair
balanced foaming performance with scalp-friendly ph system

Our Values

Science-Backed Innovation

Every product is developed using evidence-based medicine and clinically proven active ingredients to ensure safe, effective, and measurable results.

Trust & Credibility

Building confidence among both consumers and healthcare professionals through transparent formulations, quality standards, and reliable performance.

Professional Expertise

Inspired by dermatological knowledge and medical best practices to deliver professional-grade skincare that addresses real skin concerns.

Our Values

Everyday Care

Empowering consumers to build consistent skincare habits with products that integrate effortlessly into their daily routines for long-term skin health.

Safety

Prioritizing skin health by selecting ingredients with established safety profiles and formulating products that are suitable for everyday use.

Efficacy

Delivering visible, long-lasting results through carefully formulated products backed by scientific research rather than marketing trends.

For Everyone

Kotiva is committed to providing science-backed skincare solutions for every stage of life.

Especially Formulated

From teenagers managing acne and oily skin, to adults seeking hydration, skin barrier support, pigmentation correction, and anti-aging care, to mature skin requiring intensive nourishment and rejuvenation, kotiva offers targeted solutions for a wide range of skincare needs.

Developed with clinically proven active ingredients and guided by evidence-based medicine, our products are designed to support healthy skin across all age groups, making professional skincare accessible, effective, and trusted for everyone.

Our Journey and Expansion Strategy

kotiva's expansion strategy is driven by a long-term vision of becoming a globally trusted skincare brand rooted in european quality and scientific excellence. our journey begins in poland, where our products are developed and manufactured to the highest european standards, before expanding into saudi arabia as our strategic gateway to the gcc. over the next two years, we aim to establish a strong presence across all gulf cooperation council (gcc) countries through strategic partnerships and an expanding healthcare network. building on this regional success, kotiva will continue its growth throughout the middle east, with the long-term vision of expanding into international markets, including europe, to bring our evidence-based, professional skincare solutions to consumers worldwide.

European Identity

Manufactured in Poland.

Poland has earned a strong international reputation for its scientific research, pharmaceutical expertise, and high manufacturing standards. Home to advanced research institutions, skilled scientists, and state-of-the-art production facilities, the country follows stringent European Union regulations to ensure quality, safety, and product consistency. Its commitment to innovation, rigorous quality control, and adherence to internationally recognized good manufacturing practices (GMP) has made Poland a trusted hub for the development and production of high-quality healthcare, pharmaceutical, and skincare products.

Manufactured in Poland, KOTIVA benefits from one of the European Union's most respected manufacturing environments, where strict EU regulations and Good Manufacturing Practices (GMP) ensure exceptional standards of quality, safety, and consistency. By combining advanced scientific research with high-quality European raw materials sourced from trusted suppliers, every KOTIVA product is developed to meet rigorous European quality standards. This commitment to scientific excellence, premium ingredients, and precision manufacturing ensures effective, reliable skincare that healthcare professionals and consumers can trust.

Saudi Arabia Launch

As part of KOTIVA's regional growth strategy, our launch in Saudi Arabia marks a significant milestone in our mission to make professional, science-backed skincare more accessible across the Middle East. We are committed to establishing a strong presence by partnering with major pharmacy chains, expanding our availability within leading polyclinics and healthcare facilities, and building long-term relationships with dermatologists, pharmacists, and other healthcare professionals. Through these strategic partnerships, KOTIVA aims to become a trusted skincare brand recognized for its clinical credibility, high-quality European standards, and commitment to improving skin health for consumers throughout the Kingdom.
